Hi Janet,

The County received the first draft of the PEIR on 4/16 and staff has begun reviewing the document. We technically have 45 days to review the first draft which would take us out to the end of May. I don't expect a draft to be released for public review until sometime after June at this point.

Thanks.

Dear Mr. Hingtgen,

Can you please give me a status update on the Soitec Solar Development Program EIR? At last check in, you thought the PEIR might be released for public comment as early as June.

Thank you.

Janet
